Hi Richard,

Attached is a revised draft. Apologies for the delay- we are having email issues today which affected my draft and comments getting to/from folks. Can you also please share with Steve Jones @ATSDR when you send out, I was just on a call with him.

Thanks!

Richard -

I thought I hit send on a note back to you on this but I don't think it went. So I apologize if you are getting this twice.

We are hoping to get you edits soon this afternoon. I think just one or two more ppl need to look at it.

Nichole and Carolyn—

Attached is CDC's final draft reply to the Rockefeller letter. Our program people will also be sharing it with their counterparts at EPA this afternoon.

If you can add something to it that characterizes EPA's role and describes EPA's activities to make it a joint response, that would be great. Please send us your proposed additions.

Thanks.
